To Our Patients:

Our practice is committed to the safety, security and accuracy of your prescription.

That's why we've sent your prescription(s) electronically to your pharmacy using Surescripts®, The Nation's E-Prescription Network™.

Please show your pharmacist this card to ensure he or she is aware your prescription has been sent electronically, and has been received by the pharmacy computer or fax.

Thank you!

Dear Pharmacist:

My prescription(s) has been sent to your computer electronically, not by fax or phone.

If your pharmacy is enabled for electronic prescribing, please check your computer for my prescription. If not, please check your fax machine.

Thank you!
